Hello and welcome!

If you have a financial need, I can help you find a solution. It's as simple as that!

I have been in the financial services industry in Switzerland for over 20 years and I have an excellent network of contacts and business partners.

I like to get to know my clients, and when I know about your financial situation, your life, your plans, your goals and dreams, I can help you make a financial strategy that works for you.

Choose me as your independent partner, and I will always find the best financial solutions for you.
